

# OHIO DREAM HUNT

November 17-19th, 2017

The Whitetails Unlimited Scioto County Horn Hunters Chapter in conjunction with United Special Sportsman Alliance (USSA) and private landowners will be holding its 5th annual deer hunt for ten youth (10 to 17 years) with special needs and their families. It will take place in Scioto County. The deer license and hunting supplies provided. The room and board for the families graciously donated by Big Bear Family Resort located in Lucasville, Ohio. If possible, we would like hunters to be familiar with the use of a shotgun before the hunt. Hunter safety is not required to participate in this deer hunt, but we recommend your child taking the course when available in your area.

**Location:** Big Bear Family Resort, 9906 Big Bear Creek Rd, Lucasville, OH 45648

**What to bring:** There will be beds with mattresses, and you will need a sleeping bag and pillow or sheets & blanket, toiletries, towel, washcloth, etc. Comfortable clothes to dress in layers, so you can adjust to temperature change. Youth hunters will be receiving an orange hat and vest. Cooler (one per hunter) for meat.

**Note:** This outing is meant to be fun for all involved, and safety is everyone's top priority! Please be kind and respectful for those donating their time, property, and resources. *If your child is interested in attending this hunt or you have any questions, please contact USSA or our Ohio Rep., Jerry Drake, (740) 935-1308 or [JerryDrake55@yahoo.com](mailto:JerryDrake55@yahoo.com)*
